

## **2014-2015 Fixed Propane Negotiated Prices**

**The Beech Mountain Lakes General Manager has negotiated prices for propane gas for the residents in the community for the 2014/2015 .**

**The prices will be honored by both Superior Energy Service & Button Oil & Propane until Button Oil & Propane until May 31st, 2015 and both companies have free installation. Button Oil & Propane (570-474-6635) is located in Mountaintop and have no extra fees or delivery fees. Superior Energy Services (570-443-8444) is located in White Haven, Pa.**

**Button's price for usage over 400 gallons per year with a company owned tank is \$1.93 & with a customer owned tank it is \$1.69. Button's price for usage under 400 gallons per year with a company owned tank is \$2.49 & with a customer owned tank it is \$2.29. Call Button Oil for a price quote for fuel oil.**

**Superior's price for usage over 400 gallons per year is \$2.299 & for usage under 400 gallons per year the cost is \$2.899.**

**If a resident is going to switch to a different provider they should use up as much of the gas in their tank before calling to have the tanks switched out. Superior will not give you a refund for the gas that is left in your tank. Button Oil & Propane will reimburse their customers for the gas left in your tank. Button Oil & Propane will reimburse their customers for the gas left in the tank upon removal.**
